[redacted] Contracts

1. Attached hereto is the original and three (3) copies of the contract between [redacted] and [redacted]

2. Page 3, as you will note, has been revised to provide for a minimum monthly payment of \$3,000.00 based upon \$60.00 per flying hour for a minimum average of fifty (50) flying hours per month.

3. I assume that you will wish to make appropriate distribution to the contracting officer for [redacted] as well as the pilot and other interested persons. As I indicated before, the covering sheet or page 1 will not stand close scrutiny and one of the copies does not have this page. I would suggest that this one be given to the pilot if it is necessary for him to have any.
